

We are the world's largest network of aesthetic professionals.

Medical Aesthetics

Beauty Professionals

Cosmetic Dentistry

Skin Care Dermatologists

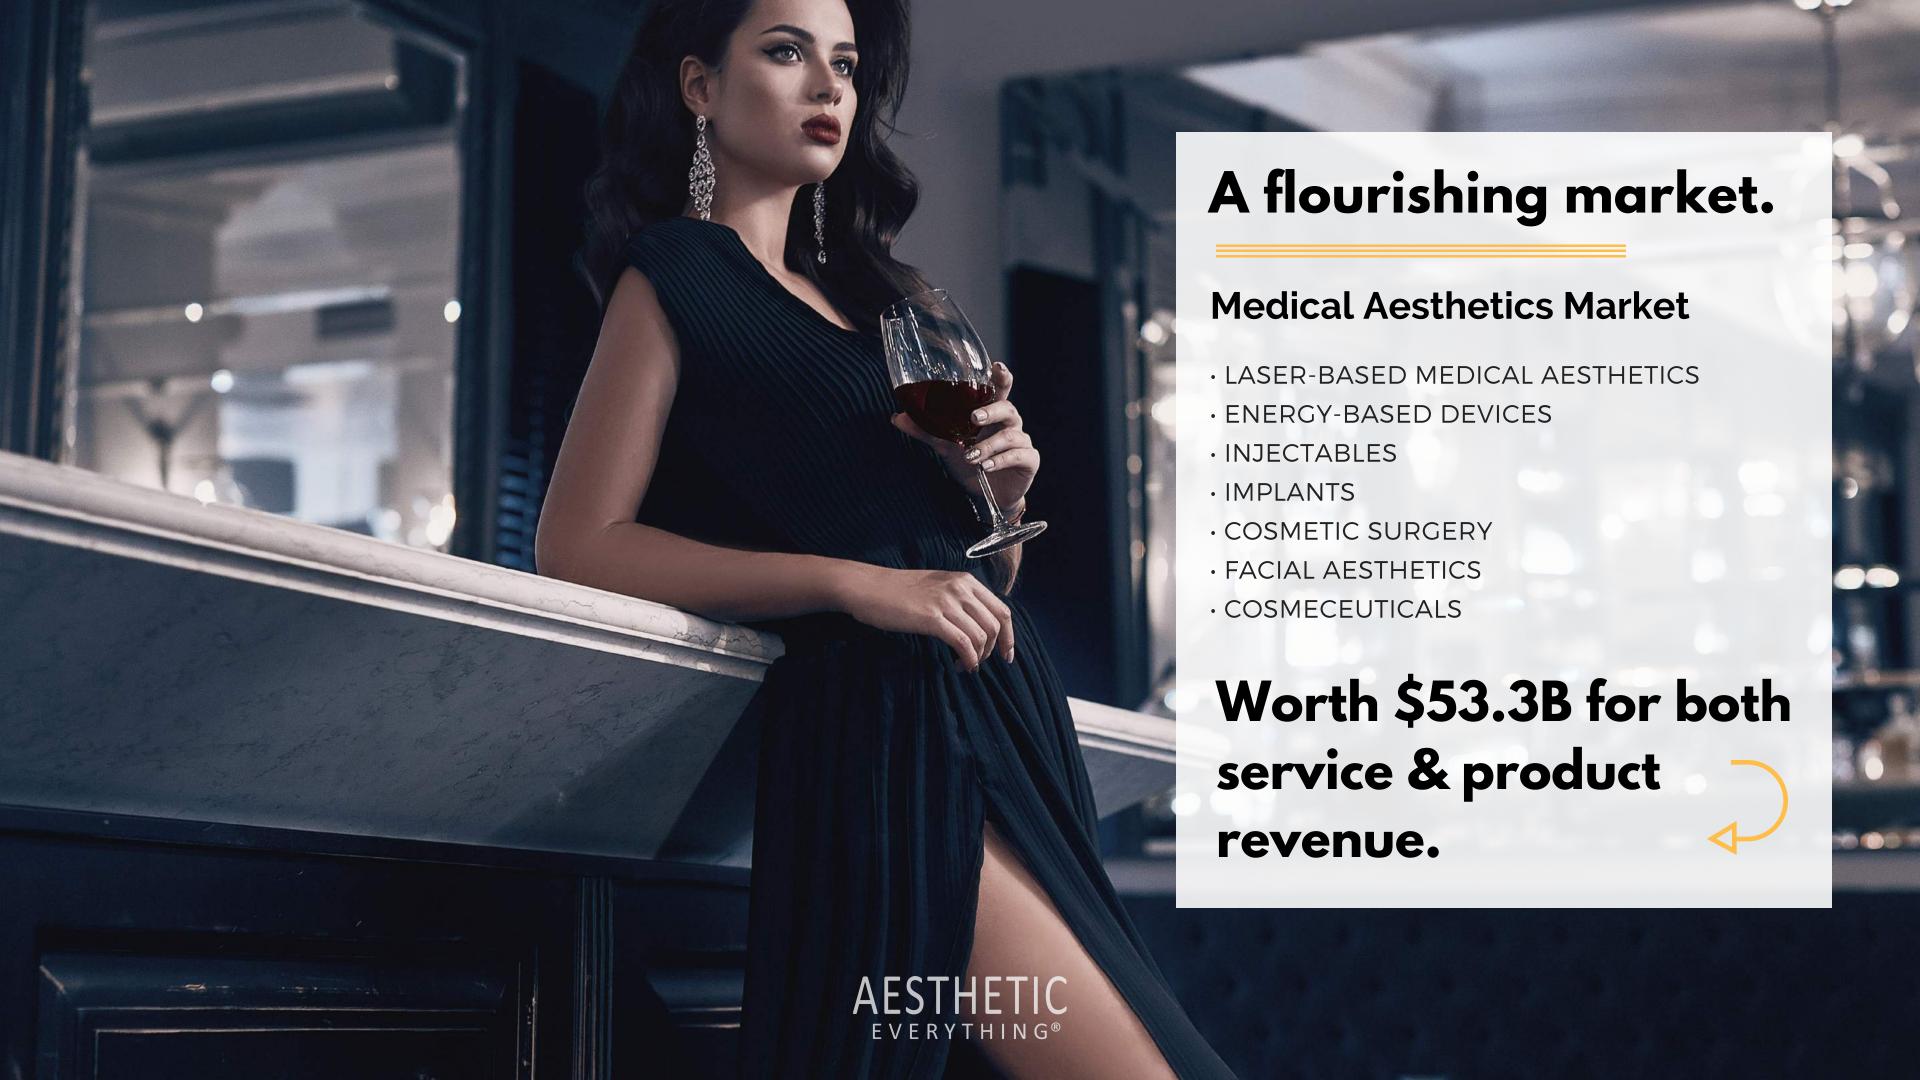

Plastic Surgeons 🐡

Medical Spas

Over the next 5 years, the Market will expand to

\$73.6B due to:

- Advancements in laser technology
- Growing awareness among consumers
- Shift in preference from surgical to non-surgical procedures
- Increase in aging population with disposable income
- Impact analysis of drivers on market forecast
- Health benefits of medical aesthetics procedures

AFFLUENT BEAUTY CONSCIOUS CONSUMERS

Expect medical aesthetic professionals to recommend the best and newest products for their specific needs.

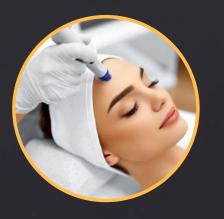

MEDICAL PROFESSIONALS

Need to be aware of and offer their patients the latest and best advancements in aesthetic products, but don't have time to search for them.

AESTHETICS COMPANIES

Need to educate medical professionals on the benefits of their products, but struggle to get in front of physicians and their staff.
